Suprio Banerjee and CMS Restaurant Partners
for their multi-unit **Denny's** acquisition in upstate **New York** in June

Mohammad Saleem and S&T Restaurants
for their multi-unit **Denny's** acquisition in **Pennsylvania** in April

Sham & Yashna Asnani of Definitely Delicious Diners, LLC
for their multi-unit **Denny's** acquisition in **Washington** state in April

While acquisition financing is particularly difficult in 2009, NFS was able to apply an adaptive strategy to each unique situation to meet the capital needs of the buyer, while accomplishing the goals of the seller.

In addition to several single store opportunities across the country, we currently have a group of **Denny's** restaurants in the Southwest and another group in the Southeast, both with financing available for qualified buyers
